SPECIAL INSTRUCTIONS:

IMPORTANT NOTES

1. Good Friday in 2018 falls on 30th March, the Early May Bank Holiday on 7th May and the Spring Bank Holiday on 28th May. When considering your launching requirements please remember that whilst we make every effort to launch your vessel on the preferred tides we can offer no guarantee beforehand.
2. If your boat is not ready for launching by the date you have selected and it is necessary to move it to gain access to the vessel behind - a fixed charge for each boat movement will be incurred. Those vessels coming ashore late will, by necessity, have to be stored in the front line - they must therefore be ready to launch early. Similarly, those vessels coming ashore early will be launched later. Please bear this in mind when completing this form.
3. Vessels that are for sale and remain in the yard after 31st March may have to be moved for which a charge will apply. Conversely, any vessel sold during the laid-up period may not be launched until she is accessible. If an earlier launch is required, any boat movements will be chargeable at the prevailing rate.
