

Please ensure all details on this form are accurate; delays caused by inaccurate details may result in additional cost.

Please note we will not guarantee specific dates for hauling-out and will lift your vessel as soon as tide & weather permit and at our convenience. You will be notified when your vessel is ashore by phone or email.

DECLARATION -

I have attended to the points below (where applicable) and my vessel is now ready for hauling-out. I have also read and understand the notes overleaf.

- Centreboard / lifting keel raised.
- Headsail(s) removed.
- Outboards, dinghies and/or bowsprit/bumpkin removed.
- Gas bottles removed.
- Vessel moored port-side-to.

I have read and accept the WicorMarine Yacht Haven Regulations and confirm that my vessel is adequately insured.

Signed:

Date:

SPECIAL INSTRUCTIONS :

IMPORTANT NOTES

IGNORE AT YOUR PERIL

1. Please familiarise yourself with the WicorMarine Yacht Haven Regulations, in particular clause 14 'Rules for Vessels Ashore'. The Regulations can be viewed on our website (www.wicormarine.co.uk/downloads). Copies are also available from the Marina Office.
2. We do not carry out any boat handling during the months of December and January unless by prior arrangement.
3. Launch codes are set with the occurrence of spring tides. Vessels should be ready no later than by close of play the Sunday before the launch code date and forms must be submitted either by hand or by email.
4. Vessels on a Complete Package that have not been launched by 8th May 2020 will incur additional storage charges.
5. When considering your launching requirements please remember that whilst we make every effort to launch your vessel on the preferred tides we can offer no guarantee beforehand.
6. If your boat is not ready for launching by the date you have selected and it is necessary to move it to gain access to the vessel behind - a fixed charge for each boat movement will be incurred. Those vessels coming ashore late will, by necessity, have to be stored in the front line - they must therefore be ready to launch early. Similarly, those vessels coming ashore early will be launched later. Please bear this in mind when planning your laying-up.
7. Vessels that are for sale and remain in the yard after 31st March may have to be moved for which a charge will apply. Conversely, any vessel sold during the laid-up period may not be launched until she is accessible. If an earlier launch is required, any boat movements will be chargeable at the prevailing rate. Winter Package storage fees are non-refundable in the event of early relaunch.
8. Please do not move shores, boat stands and other supporting structures. Ask the Marina Office if you require shores or stands to be repositioned to facilitate antifouling.
9. Please do not attach or lock ladders, bicycles etc. to the boat stands. We do not advise leaving your ladder up against the topsides for security reasons but if you do so, it is at your own risk.
10. Please do not dig holes under keel or rudder.
11. Please speak to us before arranging to have antifouling removed.
12. Please display a parking permit in your car windscreen. Temporary permits are available to download from our website (www.wicormarine.co.uk/downloads) or can be obtained from the Marina Office.
13. Dedicated electricity supplies are available on request and operate on a Smart Card Meter System. Please speak to the office before plugging in.

**PLEASE - DO NOT SUBMIT THIS FORM
IF YOUR BOAT IS NOT READY TO BE LIFTED**
