

PLEASE DO NOT SUBMIT THIS FORM IF YOUR BOAT IS NOT READY

Please ensure all details on this form are accurate; delays caused by inaccurate details may result in additional costs.

Please note we will not guarantee specific dates for hauling-out and will lift your vessel as soon as tide & weather permit and at our convenience. You will be notified when your vessel is ashore by phone or email.

Boat Name:	Owner's Name:	
Contact telephone number:	Email Address:	
LOA:	Draft:	Displacement:
Boat Class: (e.g. Westerly Centaur)	Mooring Number:	
Keel: Fin / Lifting / Long / Bilge (twin) / Wing	Stern gear: Sail Drive / P-Bracket / Long keel

Date:

Location of Keys:

IMPORTANT NOTES

1. Please familiarise yourself with the WicorMarine Yacht Haven Regulations, in particular Section 14 'Rules for Vessels Ashore'. The Regulations can be viewed on our website (www.wicormarine.co.uk). Copies are also available from the Marina Office.
2. When considering your launching requirements please remember that whilst we make every effort to launch your vessel on the preferred tides we can offer no guarantee beforehand.
3. Please do not move shores, boat stands and other supporting structures. Ask the Marina Office if you require shores or stands to be repositioned to facilitate antifouling. We will paint the patches if you leave a small jar or tin of paint and a brush by the keel.
4. Please do not attach or lock ladders, bicycles etc to the boat stands or shores. ***Ladders must not be left up against the topsides for security reasons. If ladders are left padlocked or tied to the guard rails we will remove them and charge accordingly.***
5. Dedicated electricity supplies are available on request and operate on a Smart Card Meter System. Please speak to the office before plugging in.
6. Please do not dig holes under the keel or rudder.
7. Please be aware that we are not able to handle any vessels antifouled with silicon-based antifoul (Examples include Hemple Silic-One, Seajet Bioclean or similar.)
8. Submit a Launch Request Form only when your boat is absolutely ready to go back in the water.
9. Please provide the office with your car registration number to gain automatic access to the barrier for the duration of your stay with us.
10. Please display a parking permit in your car windscreen. Temporary permits are available to download from our website (www.wicormarine.co.uk/downloads) or can be obtained from the Marina Office.

**PLEASE - DO NOT SUBMIT THIS FORM
IF YOUR BOAT IS NOT READY TO BE LIFTED**

I have read and understood the above 'Important Notes':
