

PLEASE DO NOT SUBMIT THIS FORM IF YOUR BOAT IS NOT READY

Please ensure all details on this form are accurate; delays caused by inaccurate details may result in additional costs.

Haul-out dates cannot be guaranteed as we are governed by the tide and weather, but we will do our best to accommodate where a provisional date has been booked. You will be notified when your vessel is ashore by phone or email.

ADDITIONAL IMPORTANT NOTES

1. The WicorMarine Yacht Haven Regulations can be found on our website (www.wicormarine.co.uk) or in the Marina Office. Please familiarise yourself particularly with Section 14 'Rules for Vessels Ashore'.
2. Heavy fouling that requires the use of additional equipment or time may incur separate charges.
3. When considering your launching requirements, please be aware that whilst we make every effort to launch your vessel on the preferred tides, we can offer no guarantee beforehand.
4. Please do not move shores, boat stands and other supporting structures. Ask the Marina Office if you require shores or stands to be repositioned to facilitate antifouling. We will paint the patches if you leave a small jar or tin of paint and a brush by the keel.
5. Please do not attach or lock ladders, bicycles, etc. to the boat stands or shores. **Ladders must not be left up against the topsides for security reasons. If ladders are left padlocked or tied to the guard rails we will remove them and charge accordingly.**
6. A dedicated electricity supply is available on request and operates on a Smart Card Meter System. Please speak to the office before plugging in.
7. Please do not dig holes under the keel or rudder.
8. Please speak to the Marina Office before arranging to have antifouling removed.
9. Please be aware that we are not able to handle any vessels antifouled with silicon-based antifoul (Examples include Hemple Silic-One, Seajet Bioclean or similar.)
10. Submit a Launch Request Form only when your boat is absolutely ready to go back in the water.
11. Please provide the office with your car registration number to gain automatic access to the barrier for the duration of your stay with us.
12. Please display a parking permit in your car's windscreen. Temporary permits are available to download from our website (www.wicormarine.co.uk) or can be obtained from the Marina Office.

**PLEASE - DO NOT SUBMIT THIS FORM
IF YOUR BOAT IS NOT READY TO BE LIFTED**
