

PLEASE DO NOT SUBMIT THIS FORM UNTIL YOUR VESSEL IS READY FOR HAULOUT

Please ensure all details on this form are accurate; delays caused by inaccurate details may result in additional costs.

Please note that we will not guarantee specific dates for hauling out and will lift your vessel as soon as the tide and weather permit, and at our convenience. You will be notified when your vessel is ashore by phone or email.

I REQUIRE THE FOLLOWING: (Please tick where appropriate)

- ☐ WINTER STORAGE 2026/27 - Please read notes overleaf
- ☐ MAST UNSTEP - **Please submit a separate mast form once ashore**
- ☐ DEDICATED ELECTRIC SUPPLY - A socket will be allocated and advised upon haul-out.

MY VESSEL WILL BE READY TO LAUNCH BY WEEK COMMENCING (See note 4 overleaf):

- ☐ **A** - 08/02/27 (< 1.6m draft)
- ☐ **B** - 22/02/27
- ☐ **C** - 08/03/27 (< 1.7m draft)
- ☐ **D** - 22/03/27
- ☐ **E** - 05/04/27 (< 1.8m draft)
- ☐ **F** - 19/04/27 (< 1.8m draft)
- ☐ **G** - 03/05/27*

IMPORTANT INFORMATION

Tides marked with an * fall into the week of and the week after the date listed. We cannot guarantee a launch before the weekend of the first week.

DECLARATION: (Please tick where appropriate)

I confirm that I have attended to all the points listed below and that my vessel is ready for haulout.

- ☐ Vessel moored port-side-to - **MANDATORY - We are unable to tow vessels moored STB-side-to**
- ☐ Headsail(s) removed - **MANDATORY**
- ☐ Gas bottles removed - **MANDATORY**
- ☐ Keys left with the Marina Office - **MANDATORY**
- ☐ Centreboard/lifting keel raised (where applicable)
- ☐ Outboards, dinghies and/or bowsprit/bumpkin removed (where applicable)

I have read and understood the important additional notes listed overleaf. I have read and accepted the WicorMarine Yacht Haven Regulations and confirm that my vessel is adequately insured.

Signed:

Date:

IMPORTANT NOTES

IGNORE AT YOUR PERIL

1. Please familiarise yourself with the WicorMarine Yacht Haven Regulations, in particular clause 14 'Rules for Vessels Ashore'. The Regulations can be viewed on our website (www.wicormarine.co.uk). Copies are also available from the Marina Office.
2. Heavy fouling that requires the use of additional equipment or time may incur separate charges.
3. Please be aware that we are not able to handle any vessels antifouled with silicone-based antifoul (Examples include Hemple Silic-One, Seajet Bioclean or similar).
4. Launch codes are set with the occurrence of spring tides. Vessels should be ready no later than 5pm on the Sunday before the launch code date, and forms must be submitted either by hand to the Marina Office or by email to inbox@wicormarine.co.uk
5. Vessels on a Complete Package that have not been launched by the end of the last launch code session will incur additional storage charges.
6. When considering your launching requirements, please remember that whilst we make every effort to launch your vessel on the preferred tides, we can offer no guarantee beforehand.
7. If your boat is not ready for launching by the date you have selected and it is necessary to move it to gain access to the vessel behind, a boat movement charge will be incurred. Please see the price list. Those vessels coming ashore late will, by necessity, have to be stored in the front line - they must therefore be ready to launch early. Similarly, those vessels coming ashore early will be launched later. Please bear this in mind when planning your laying-up.
8. Vessels that are for sale and remain in the yard after 31st March may have to be moved, for which a charge will apply. Conversely, any vessel sold during the laid-up period may not be launched until she is accessible. If an earlier launch is required, any boat movements will be chargeable at the prevailing rate. Winter Package storage fees are non-refundable in the event of early relaunch.
9. Please do not move shores, boat stands and other supporting structures. Ask the Marina Office if you require shores or stands to be repositioned to facilitate antifouling. We will paint the patches if you leave a small jar or tin of paint and a new paintbrush by the keel.
10. Please do not attach or lock ladders, bicycles, etc. to the boat stands. Ladders must not be left up against the topsides for security reasons. If ladders are left padlocked or tied to the guard rails, we will remove them and charge accordingly.
11. Please do not tie winter covers to the shores or stands.
12. Please do not dig holes under the keel or rudder.
13. Please speak to the Marina Office before arranging to have antifouling removed.
14. Please display a parking permit in your car windscreen. Temporary permits are available to download from our website (wicormarine.co.uk) or can be obtained from the Marina Office.
15. Dedicated electricity supplies are available on request and operate on a Smart Card Meter System. Please speak to the office before plugging in.

**PLEASE - DO NOT SUBMIT THIS FORM
IF YOUR BOAT IS NOT READY TO BE LIFTED**
